 Request New

The screenshot shows the 'NCAGE Code Request Tool' search interface. It features a blue header with the tool's name and navigation icons. Below the header, there are several search fields: 'NCAGE Code' (with a wildcard search note), 'Country', 'Data Universal Numbering System', and 'Postal code' on the left; and 'Organization Name', 'City', 'Identification Number', and 'Street' on the right. A 'Search' button is located at the bottom left. On the right side of the search area, there are two informational boxes: one for 'National NCAGE Contacts' and another for 'You didn't find your organization NCAGE data record?' which includes instructions on how to request a new code.

The screenshot shows the 'Request New NCAGE Code' wizard. It starts with a 'Start: Country Check' step, followed by a 'Next' button. Below this, there are three input fields: 'Type of Entity*', 'Other (Description)*', and 'Country*'. A 'Next' button is positioned below these fields. On the left side, there is a vertical progress indicator with steps: 1. Start: Country Check, 2. Organization Data: General Information, 3. Organization Data: Geographical Location, 4. Organization Data: Postal Location, 5. Organization Data: Contact Information, 6. Organization Data: Additional Information, 7. Questionnaire, 8. Initiator Information, and 9. Finish. A 'Return to Search Results' button is located at the bottom left of the wizard.

SAM.gov

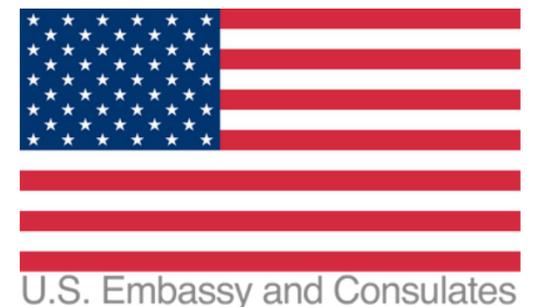

- **Gratuito e obrigatório** para organizações
- Organizações que ainda não tenham um DUNS, devem requerir em: <https://sam.gov/SAM/>
 - 1 conferir se NCAGE e DUNS estão idênticos
 - 2 criar uma conta de usuário com um e-mail institucional
 - 3 registrar a instituição em "Entity Registrations" > "Register New Entity"

The screenshot shows the SAM.gov homepage. At the top, there is a navigation bar with links for HOME, SEARCH RECORDS, DATA ACCESS, CHECK STATUS, ABOUT, and HELP. A yellow banner at the top right says "A NEW WAY TO SIGN IN - If you already have a SAM account, use your SAM email for login.gov." with a "Log In" button. Below the navigation bar, there are two alert messages: "ALERT: Each entity registration expiring between April 1 and September 30, 2021 will have an additional 180 days added to its expiration date. Read more about the extension on Interact" and "ALERT: SAM.gov will be down for scheduled maintenance Saturday, 04/10/2021 from 8:00 AM to 1:00 PM." The main content area features a "Getting Started" section with three icons: "Create A User Account", "Register Entity", and "Search Records". Each icon has a brief description and a "Federal users can log in to see additional information." link. At the bottom, there is a footer with the GSA logo and various links like Search Records, Disclaimers, FAPIIS.gov, Data Access, Accessibility, GSA.gov/LAE, Check Status, Privacy Policy, GSA.gov, About, and USA.gov.

The screenshot shows the SAM.gov User Guides page. It features a navigation bar similar to the homepage. A yellow banner at the top right says "A NEW WAY TO SIGN IN - If you already have a SAM account, use your SAM email for login.gov." with a "Log In" button. Below the navigation bar, there are two alert messages: "ALERT: Each entity registration expiring between April 1 and September 30, 2021 will have an additional 180 days added to its expiration date. Read more about the extension on Interact" and "ALERT: SAM.gov will be down for scheduled maintenance Saturday, 04/10/2021 from 8:00 AM to 1:00 PM." The main content area is titled "User Guides" and includes a "Page Description" section. The description states: "This page contains three separate user guides to help familiarize you with SAM. The guides are for federal users, non-federal users, and users consuming non-public data through SAM's data access request process. If you are a non-federal user interested in registering to do business with the U.S. government, select the Non-Federal User Guide. Federal users trying to register entities, conduct a search, or create exclusion records should refer to the Federal User Guide. If you are a federal user needing access to non-public data from SAM's web services or extracts, review the Data Access Guide." Below the description, there are two buttons: "DOWNLOAD PDF" and "VIEW ONLINE".
